JUSTICE: Powerful Indie Country Anthem Ready For Sync Licensing Opportunities

Indie Country Track Delivers a Message of Divine Retribution for Film, TV, and Commercials

MADISON, AL - September 7, 2025 – Indie lyricist Steve Celuch announces the availability of "JUSTICE" for sync licensing and artist collaboration. This powerful anthem, from the SouthernSound 2025 album, is now ready to bring its intense and righteous message to film, TV, and commercials, with demo and one-sheets available at <https://southernsound.us/sync-licensing>.

"Justice" is an indie country track that confronts wrongdoings against children with a stern warning of inevitable consequences. This song blends raw guitars, a driving drumbeat, and a commanding melody with a modern edge, featuring a resolute chorus and intense message. "Justice" merges classic country storytelling with bold melodies and vocals, making it a perfect tune for fans who appreciate themes of accountability.

Steve crafts songs that explore life's deeper truths. After writing "THE ONE"—a country ballad celebrating love—Steve continues to innovate with "JUSTICE," weaving tradition with powerful melodies and tech, and seeks a star collaboration. "I wrote 'Justice' to deliver a strong prophetic message," says Steve. "It's a powerful message, ready for the screen or stage."
