LOVING YOU: Tender Indie Country Ballad Ready For Sync Licensing Opportunities

Indie Country Track Celebrates Humble Devotion for Film, TV, and Commercials

MADISON, AL - November 29, 2025 – Indie lyricist Steve Celuch announces the availability of "LOVING YOU" for sync licensing and artist collaboration. This tender ballad, a new addition to the SouthernSound 2025 album, is now ready to bring its heartfelt and emotional vibe to film, TV, and commercials, with demos and one-sheets available at <https://southernsound.us/sync-licensing>.

"LOVING YOU" captures the depth of unwavering love beyond material wealth, blending raw guitar, mandolin, fiddle, a gentle drumbeat, and soulful vocals with a modern touch. Its poignant chorus and relatable charm make it an ideal choice for romantic TV scenes, emotional commercials, or as a touching addition to a country star's setlist. Whether it's a heartfelt moment on screen, an ad evoking true partnership, or a live performance resonating with fans, "LOVING YOU" delivers a fresh indie country sound.

Steve crafts songs that celebrate life's heartfelt connections. After writing "COUNTRY WORDS" —a nostalgic anthem honoring the timeless magic of Alabama storytelling— Steve continues to innovate with "LOVING YOU," weaving tradition with emotional melodies and tech, and seeks a star collaboration. "I wrote 'LOVING YOU' to honor the richness of simple, devoted love," says Steve. "It's a tender tribute, perfect for the screen or stage."
